

LOXFORD PCN

presents

Children's Health and Wellbeing Event

@ Ilford Town Hall

22nd February, 11:00 - 15:00

Giving your children the best in life

- To help you understand what Asthma is...
- To help you understand why your child may be having breathing difficulties?

...To explain what ADHD is and how it affects your child!

WHY ARE WE HERE TODAY?

To explain what **Welfare** and **Benefits** are

ARTS and CRAFTS

for the **CHILDREN**

...To give out dental advice

To help you understand how childhood immunisations can help prevent diseases and illnesses such as measles, HPV amongst many others
