

Did you know...

...there is a **PODIATRY** service available at your GP Practice?

Why not put your best foot forward this summer

COMMON FOOT PROBLEMS:

Foot pain at the heel, mid or forefoot

Nail problems and skin conditions affecting the feet including corns and calluses

In-growing toe nails

Foot related problems including wounds for Diabetic patients

Problems with circulation

What **YOU** need to do?

1. Call your GP Practice
2. Tell them what your foot issue is
3. Attend your appointment

The **APPOINTMENT**

- Appointments are 30 mins long
- If the podiatrist is unable to help you, they will refer you to the right people
